She absolutely adored those girls. She wanted to live another 20 years so she could see them and her great grandchildren get married. She will forever be missed

“ *She was always such a happy, positive person. She never had a bad thing to say about anybody. But what meant most to me was her innate kindness towards me. When we would visit, she would ask me personal questions like how am I, how is work, how are my children, that sort of thing.... and she was always sincere and really interested in what I had to say. Not many people are equipped to show you that they care enough about you to ask questions like that, because, sadly, most people simply don't care that much about you. But she did. In the 11 years that I knew her she was ALWAYS kind and chatty and sweet and she will be sorely missed by the whole family. So sorry to see you go, dearest mother-in-law. 💔*

“ My deepest condolences and prayers for the Squatrito family. Momma Linda will be missed greatly. I'll always cherish the beautiful soul she was and the relationship we had. She accepted me into her home with warmth and love. She found out I didn't like fish so on fish nights always bought scallops just for me. She introduced me to her church and trusted me to watch the babies in the childcare as a young teenage girl she showed me so much love and how a family was supposed to be. We would play games at the family table and laugh a lot. I've always admired and respected her. Just the sweetest woman who let me call her Mom. Over the years even when her and Poppa moved out of San Jose we went up and celebrated Thanksgiving out in Twainhart. Then when they moved to Minnesota we would still talk on the phone for birthdays and holidays. She always ended our calls with “say hi to Ray and the kids and I love you sweetheart”. I'm so thankful I was able to go visit her in person this last November and it felt like no time had passed. Just this time we had some new game players (the next generation 💕) sitting at the family table and lots of laughs as always. She was an incredible example of how to walk a Christian life. I know in my heart of heart she was welcomed into heaven with no pain and cancer free and the words of “well done my good and faithful servant”. Till we meet again I'll hold you in my heart that's filled with memories of laughter, kindness and genuine love that is rare to find in people.
