“ Linda was the vivacious, smart and funny wife of Patrick, the corporate administrator of my medical practice. She kept him in line, raised two wonderful daughters and inspired us all to hurdle any obstacles placed in our way. We have all lost a great heart and my sadness is lessened only because so many others share it.

“ Ohhh, it is painful to know that this wonderful Lady and a very dear grade school friend has passed. My memories from those early day in school are still so vivid , Beth Gillespie, Linda and me (Pat Parkos) walked to and from grade school every day. We loved playing sports any chance we could get. We missed our buddy when the family moved to Walker, MN. My heart tells me Linda is with God . . . and that her Spirit will forever Shine. I pray that your Hearts will heal and all your wonderful memories grow strong forever more. Pat (Parkos) Clarke
