

Lisa Dietzen Eastlack

June 3, 1976 - May 12, 2021

Eastlack, Lisa (Dietzen) 1976 - 2021, age 44, died unexpectedly in her sleep on May 12, 2021. Born in 1976 in Spokane, Washington, Lisa attended Annunciation Catholic School and graduated from Trinity School in 1994. She pursued a dual major at the University of Tulsa, graduating with honors in 1998, earning a B.S. in both Finance and Management Information Systems. Lisa excelled as a business consultant after college, working for firms such as Arthur Andersen, PwC and IBM. She eventually moved into healthcare and became an accomplished Product Manager at OptumHealth. In 2006, Lisa left the corporate world to devote her life and energy to those that mattered most - her kids. Raising 3 beautiful children and running a household were her most difficult and fulfilling jobs. In her spare time, Lisa enjoyed reading several books a week and keeping Amazon in business. She was a gracious host and wonderful cook who rarely followed recipes, much like she rarely ordered anything off the menu without modification. Lisa would drop lines from the Princess Bride into casual conversation whenever fitting. She was fiercely loyal to old friends and new, generous with her compassion and time. Lisa was charmingly clumsy and unafraid to laugh at her mistakes. Lisa was a beloved wife, mother, daughter, sister, friend and aunt to several nieces and nephews. She leaves behind her husband Steve; children Andy, Clare and John; her parents Christopher and Peggy Dietzen; her sister Stacey Steel (Brian); and her brother Mark Dietzen (Kristina); as well as many other relatives, in-laws and friends. Lisa was preceded in death by infant child
