“ I worked with Lisa at US Bank 2007-2014. We got to know each other. She was very generous to me over the years. We shared stories and laughter. I am grateful to know her. Wishes of comfort to her children. She talked about her children a lot and her family was very important to her.

“ Lisa was my first born and she will be missed by me, and I loved her so much Now she is in heaven. She was so kind ,thoughtful to me and everyone. She will be missed and loved by all of us. It will be hard for me to live life without her. She is my second child that I have lost. We don't know and understand why things happen, but they say God doesn't give you more then you can handle. Lots of love to my grandchildren, my son, wife Jodi, Elizabeth and Becca. She will be in our hearts forever, Mom Joan Berge
