“ We believe that Lisa has gone on to her reward and has been reunited with her father, Chuck.

I knew to reserve an hour of time if I called her because we always found so much to talk about. Fond memories of her trying to duplicate my recipe for German Kuchen. Her first attempt she jokingly called her home-made Frisbees.

We miss her already, but she will live on in our hearts forever!

Our heartfelt condolences to Bob and Jean.

All our Love,

John and Linda Mindt

NB

Lisa's mother and father were my neighbors for years. I met Lisa and Bob through them. Lisa and I clicked right away and always enjoyed her sense of humor. What a girl!!! We shared many Christmas exchanges together and I always looked forward to her great cookies. I always felt a part of their family.

She was like the "ENERGIZER BUNNY" and I loved her.

My heart goes out to Bob and her mother Jean. I am so sorry for your loss. Love Nancy
