“Lloyd was a Assistant Superintendent for the City of Saint Paul, Department of Parks and Recreation, for many years, and specifically oversaw Forestry and Operations for the department. I interviewed with Lloyd for a job back in 1977, meeting for the first time one of the nicest gentleman I've ever met. Lloyd was kind, caring, and liked by all. Even many years after he retired, I stopped by his home to ask him some questions, and he was gracious and helpful. Always a class man and one of the good guys. I'll always remember him fondly.
