“ *My heart felt Sympathies and Condolences to Ms. Weber's family...She Was an Awesome Guide to The Sanity of Many Central Junior High School Kids in their teens trying to make sense of an ever changing world. As we matured and grew in those trying years we Remember those few educators that took the time to make our days brighter,made our days better, and gave us the confidence to follow our dreams and left a lasting Impression. Loey Weber will always be remembered, for The Great Soul she was, The Positive Role-Model and reinforcement she gave, and that little pep-talk I needed once in awhile to set me upon the right course...I Will Never forget Her....and she will be missed.
May God Bless Her Soul, and Her Family.....*

“ *"Mrs. Weber" was my middle school guidance counselor. All of my memories of her are full of happiness and WARMTH. She was a gift to everyone she worked with -- especially the students at our Junior High. Though I have not seen her in years, I still feel very compelled by my memories of her kindness and vivacity. She will truly be missed.*
