“ Please accept my condolences upon the death of your mother. It was my privilege to care for her at Camden Physicians for many years. I remember her sunny disposition and her infectious laughter. She was so proud of both of you, Luenn and Darrin! My thoughts and prayers are with you and your families.

“ So sorry for the loss of your mom. She was always an enjoyable person. I know my mom (Mavis Rollefson) always enjoyed the times she got to spend visiting with her. Take care.
