“Lois was a wonderful woman with a huge heart for people but especially for her Lord. I had the joy of working with Lois in tying blankets to give to a local nursing home. I got the pleasure of greeting her every Sunday morning and making sure she got her apple fritter during early morning fellowship time. I will miss this dear lady until I see her again the other side of heaven.

Cindy, It's nice to hear from Mom's friends. It's been said, church was her second home. The friends she made at her new home would keep an eye on her and would assist when possible. Margaret would help be her eyes when they had community bingo, making sure she didn't miss any all-outs numbers.

Linda Richards, daughter.

Thank you Jeff for your thoughts and kind words. I know you were there for Mom, and when Marie passed away to comfort and support each other. Sister-in-law, Linda
