Fear Not: I have redeemed Thee, I have called Thee by name, Thou art mine. When Thou passest through the waters, I will be with thee, and through the rivers they shall not overflow thee, when thou walkest through the fire, thou shall not be burned neither shall the flame kindle upon thee.

For I am Lord thy God, the Holy One of Israel, thy Saviour: Fear Not, for I am

with thee...

“ Grandma, I always admired your determination, charisma and your ability to recall memories with precision. I enjoyed listening to all the stories you had told and I was always impressed by how much you remembered. I vividly remember the times where I would come over to mow your lawn and afterward I would go inside and we would chat for a while, you would make me something to eat and occasionally we would watch the Minnesota Twins play on TV. I miss you Grandma. I am glad though that you are in heaven now with Grandpa and Auntie Lisa. I Love you.

“ Grandma, you were one-of-a-kind. You were strong-willed, stubborn, clever, intelligent, interesting, a hard worker, and you loved animals. I will miss your stories, that often included correct names, dates and addresses. Your memory was incredible. You helped teach me to be a strong person and stand up for myself. I remember you telling me, “If someone steps on your shoes, you get ‘em off quick!” In your work, you had high standards for yourself and for those you encountered. You were a force to be reckoned with if someone did a lazy job. You would let someone know if they didn’t do something quite right and they could do it better. I bet you probably had a hand in helping many people build up better work ethic in your many years working for the phone company. You loved animals and had many beloved dogs and cats. I remember Tasha, Beau, Patches, Lilo, and Angel. Grandpa and Auntie Lisa will be so happy to see you again. Rest easy. Love you.

“ Vicky, Ralph and family, you had a one of a kind mother. She was a good friend to me and we had many laughs. We would listen to each other stories and share many good times together. I will miss our conversations and our friendship. She is now with Ralph and Lisa probably doing a polka dance as Ralph loved his polka music. Thinking of all of you in your time of loss. Remember the good times you had with her. It will put a smile on your face.
