“ How fortunate for those of us who had the privilege of knowing Lois! She paved the way for many women to reach higher through her professional example! Terri Ellisen

“ Lois and Bud were personal friends for many years, I remember her wearing some of my maternity clothes! Her voice and ability to direct choirs was phenomenal My husband, Chuck, and our four children (3 of whom are in their 60's now) all sang in her choirs at different times. Praying for peace for the family she left behind! So many memories!
