“ My sympathy to Tom family. I have many great memories of our time together at Newman Club. Unfortunately, we all went our separate ways and contact was in lost. May your many memories help as you grieve your loss. Peace,

“ *Lois was in the china painting class taught by Thelma Granquist when I first tried china painting in 1986. She was easy to love! Her bubbly, jolly personality and her great talent were so wonderful. She was a great Guild president, a beautiful painter, and terrific judge for the competition at the Fair. I I know I'm not alone in being very grateful for having been placed on Earth in a time and place to get to know and love her. You are all in my prayers for peace and comfort.*
