“ *My deepest sympathies. Lois was a wonderful person. She was my first boss at my first grown-up job at WCCO-TV. A wonderful boss. I was in my early 20's at that time. I'll never forget how she always clipped coupons. She told me - if there was a quarter laying on the ground, you would pick it up - right. Clipping coupons is no different. I tell my grandkids the same thing. She was s memorable.*
