“ We would like to send our sympathy to the family and friends of Lois. At North United Methodist Church, we remember having Lois as part of the church and the Women's group (UMW). We have memories of her helping in the kitchen, willing to bake for funerals and other events, giving rides to many who didn't drive, and having a personality that was comfortable to be around and very caring. We have missed her these last years but be assured she was not forgotten. Our prayers are with you at this difficult time. United Methodist Women at North United Methodist Church.
