“ Years ago I was new to MN and new to Honeywell. Dear Lola took me under her wing and showed me how to survive and thrive in my new environment. We took many lunch-time walks to her house. We also took a few garage sale drives during lunch. Lola and I have corresponded, until recently, every year on Christmas, her birthday and my birthday. Lola and Joe attended my daughter's wedding, which I was eternally grateful since we didn't know very many people, and she was my favorite MN person. All my memories about Lola are precious. Rest in peace old friend.
