“ *My sincerest sympathies to your family! I grew up with Loma playing the organ at Peace Lutheran in Robbinsdale. It wasn't until years later when I attended Concordia that I found out she was SO much more than the church organist... she was an amazing person and will be missed.*

“ *My sympathies to all of you as you at the passing of your Mom, Grandma and Great-Grandma. What a wonderfully, inspirational lady she was. I was at CSP from 1972-1976 and she was a major influence in my life. I will always remember her sweet smile. Now, she has so much more to smile about as she plays the organ for her risen Lord and enjoys the victorious reward He has given her.*

“ *Dear Family, I wish my words could adequately convey how much I appreciated your mother and grandmother. I learned so much from her while at CSP that when I got my Master's Degree, I specialized in reading. I hold Dr. Meyer in my heart as my mentor, and I know that it was an honor to learn from her. Praise God for her life and many, many gifts!*
