“ *Lonnie this is your uncle Wayne It has been awhile sence you have left us. And I was just thinking about you. Do you know you where one loved young man and I am going to miss you. Just like every one say's you where always happy to give a hug and a big heart felt smile. It was a joy to watch how you would laugh when your Dad would give you a hard time. Or you would smile so big when you did something you new you where not suppose to do. But what I will miss the most is how you would just love on your mom and dad. They miss you alot and you will always be in there heart. So now you are in heaven with the God that made you and I bet you are just talking up a storm with your Sister and aunt and your Grandparents that where shocked to see you. Lonnie just wanted to let you know I love you and Miss you and It will be great when I get to see you again and can not wait to hear if you sound like the rest of us when you talk. So hears a big hug love Wayneee.*

“ Tim & Pat, Words cannot express the sorrow in all our hearts with the passing of our dear cousin Lonnie. Lonnie has been such a joy in all our lives and he will be truly missed. His memories will live thru all of us. Lonnie has brought many smiles to us and some of my fondest memories are how sweet he was when he would give you a kiss goodbye and he would blush or when he would come visit Aunt Judy and spray all her perfumes and Judy would think that was just great. He was kind and loving and this love came from such wonderful, kind parents. Tim & Pat, God brought him to you as he knew you were the ones that would love, care and expand his world more than anyone will know. Now Lonnie is with God and as my sister so beautifully stated, he is with some pretty special angels. I know these "special angels" are with him now and that sure makes my heart happy for Lonnie and puts a sense of peace knowing they are all watching over you. I am not really good with words but I want you to know we love you and we loved Lonnie with all of hearts and we will miss him more than words can say. Love, Corkie

“ *Lonnie's Family, Lonnie would come and serve lunch at the school in Bloomington with his PCA, Karl. I have never seen a person eat sooo much! It was fun to see him and Karl interact and serve the students, and I feel the students also learned from Karl and Lonnie. I will miss him and my thoughts and prayers are with your family, I know God has a special place in Heaven for Lonnie. Take care, Virginia Schnacky*

“ *Tim and Pat, From a mom's stand point, it is so hard to conceive losing a child. My heart breaks at the thought of your loss. Perhaps God felt you had cared for him long enough and that it was His turn to care for Lonnie. Knowing Andrea is there to run with Lonnie and take care of him in God's kingdom is a blessing in itself. I pray that God will ease your souls and rest your heart. Time is on your side. Although your children are gone now, you still have all the other children in your huge family. God bless you both. Think happy thoughts and remember the good times you had while he was here. From our family to yours, lots of LOVE and hugs too always.*

“ *Tim and Pat,I cannot express the sorrow I feel for the loss of Lonnie. He was the only person I have ever known that was happy just to be. I will always remember his smile, his enthusiasm for food and drink and his love for his Mom and Dad. It was awesome to see you all together and know that I was seeing unconditional love.You all fought a good fight. I have learned some very valuable lessons from your family and I hope that I can continue those lessons as my family grows.Goodbye Lonnie,I will always see you smiling and touching your Mom's face. You were a joy to have for a cousin, who brought a smile to my face and showed me how to accept people for their imperfections and love them more because of them.You are with some of my favorite angels now and I will always see you that way.Love you always,Dia*
