“ My fondest memory of Loran (and Judy and kids) was our vacation trips to MN resorts and rental homes on lakes and our welcome wagon dinners. The vacations always included fishing, great dinners and playing cards afterward! The older kids were always there ready to play and win! He was a great friend to everyone and should have a special Place upstairs for all of his service for the Zuhrah Shrine.

“ Loran and Judy were amazing neighbors. I couldn't help but always smile when I would see Loren out mowing his yard on his tractor. We would meet in the middle of the street and just chat. Loren always had a big smile and a hug. We missed them when they moved, we just took for granted they would always be there. For many years they hosted the neighborhood annual Christmas luminary-making party with good laughs and cheer. Loran was just one of those great human beings that made each of us feel special. Love you Loran. My love and prayers to Judy and the family. Mary
