“ I am thankful to Loren for serving in the army under General Patton. His service allowed me the freedom to serve in the Lord's army to rescue precious souls from Hell. I knew Loren's wife quite well as a young boy during the days of WWII, but then we got separated. My wife and I visited Loren and Margaret in Roseville after we had moved to NC. to renew our friendship and learn about their spiritual decisions. We had a pleasant visit. Roger Peterson
