“ *Sorry to hear of your loss Jeanie. Loren has always been special to me. It was so nice to feel accepted when I had no biological family to turn to. He touched my life so positively when he was there for me, helping me, giving me advice when I needed it. He was nice to the boys, and showed so much support when we lived in St. Louis Park. He will never be forgotten. I have often thought of you guys and wondered what you were up to, and missed coming to see you after I moved. God bless you and keep you in his care.*

“ *Jean - I just learned today of your husband's passing, and send my thoughts to you. You may remember me from way back in early 80's - working in Richfield, with Cliff, Alan, and others in the office. We live in Bloomington.*
