“ I was so lucky to have gotten to know Loretta from The Colony in Eden Prarie. I fixed Loretta's hair there and was lucky enough to get to hear stories from her life. She was an amazing woman and my friend. I miss seeing and interacting with her very much. I also enjoyed Loretta's daughter Jan as much and admired her devotion to her mother. I will miss seeing you both. My deepest condolences.

“ My condolences to you and your family for the loss of your dear loved one. Losing a loved one is a distressing and painful time. We have assurance from God's word at Psalm 34:18 that he is near to those brokenhearted and he saves those crushed in spirit. It is my hope that your family will find strength to endure during the days ahead.

“ I will always remember when we (Claire and I) visited Loretta at her place on Green Lake. She shared her many pictures and stories of her trip to Norway. We heard many wonderful stories about the relatives that are living there. I can still visualize the farmhouse nestled on rolling hills. What an adventure that must have been!
