“ *I met Lori 12 years ago in Florida at Ramblers Rest. We have shared many things. We both were quilters. We loved the music activities our husbands sang at. i remember the dominoes games and the laughter, and her big smile. The reunions in the summer with RRR friends. Staying at their house in Bloomington and the cabin in Wisconsin. But especially the long talks we had about family especially our grandchildren. She gave me a book, "Jesus Today" which I treasure. I am so thankful to have gotten to visit Lori on Oct.29 and 30th and I was able to see her big smile when I told her who we were. I treasure the last hug I gave her. Carol Cox*
