LORI MAE SCHNEIDERHAN

1961 - 2026

Lori Mae Schneiderhan, daughter of Dale and Rosemary (Malmgren) Schneiderhan, was born on June 7, 1961, in Alexandria, Minnesota. She passed away peacefully with family at her side in St. Paul, Minnesota, on February 12, 2026, at the age of 64.

Lori enjoyed many of her childhood summers visiting her grandparents at their farms in central Minnesota. Her favorite memories included having the best fried chicken at Grandma Rosie's and Grandma Ann's and sitting on the steps of Grandma Ann's basement while Grandma did laundry using an old-fashioned wringer washing machine, with taking in the smell of the basement's earth rocks and minerals, which was "pure heaven" to Lori. She also felt that it was "pure heaven" to be spending time outdoors, especially at parks, beaches and swimming pools.

Lori attended elementary and secondary schools in Roseville, graduating in 1979 from Alexander Ramsey High School. She continued her education at the University of Minnesota and received a Bachelor of Science Degree in Mathematics Education. She ended her career as an educational consultant for designing assessments of student progress in the subject areas of math and science.

In addition to her interest in mathematics and science, Lori had talent and

interest in music, which she shared with her brother and sister. They remember Lori as the one who first opened their hearts to music. As a talented guitarist, she didn't just sing and play songs . . . she lived them. She shaped their passion for music and introduced them to artists that they still cherish today. The soundtrack of their lives will always carry Lori's influence; and whenever they hear them, they think of her.

Lori loved her family dearly and was especially grateful for her mother Rosemary's undying love and devotion during her final months.

Lori was preceded in death by her father, Dale Schneiderhan. She is survived by her mother, Rosemary; brother, Todd (Christina) Schneiderhan; sister, Jana Johnson; eight nieces and nephews, Tyler (Ann) Purcell, Blake (Austin) Schneiderhan, Ariana (Bella) Ross Schneiderhan, Alexis (Greg) Sorbo, Hunter Johnson, Teagan Johnson, Jack Schneiderhan and Henry Schneiderhan; special friend, Tony Williams; five grandnieces and grandnephews; and several aunts, uncles and cousins.

Direct Memorials to Our Lady of Peace Hospice, St. Paul, Minnesota.
