

Lori Ann Zurn

November 17, 1962 - January 23, 2025

Lori Ann Zurn, age 63 of Coon Rapids, passed away peacefully on January 23, 2025. Preceded in death by parents, Merlen and Wanda Zurn, brother Steven, and sister Barbara.

Lori's greatest joys in life were her children and grandchildren. There is nothing she would not have done for her family. She enjoyed sitting out in the sun with a cold beer and always had side projects she was working on. She was a feisty woman who knew what she wanted and took on many tasks just to prove she could do it. Lori was known for her stubbornness, sense of humor, and selfless nature. She never wanted to be a bother.

Lori worked at Kohl's where she touched many hearts and made many friends. She will be greatly missed.

Survived by her loving children, Breanna (Justin) and Colton (Kayla); grandchildren, Cheyenne, Kora, and a granddaughter on the way; sister, Valerie; and nephew, Jamel (Ann) Alkins.

A celebration of life and graveside funeral will be held this spring with date to be determined.
