“ I love you so much Aunt Loris and will miss you so very much! Thank you for being such an amazing aunt. My heart goes out to her sons Tim and David and their families--may you take comfort in all of your wonderful memories of her. I'm one of Aunt Loris's many nieces--one of her sister Louise's four daughters. I have such fond memories of our visits when I was a child and as an adult. She always had a ready smile and a great sense of humor. I always felt loved by her. I remember that when I was a child that she used to say when saying goodbye with a great big hug, "see you later, alligator" or "see you in awhile, crocodile" She also never forgot to send a birthday card with a few bucks which meant so much to me--unfortunately as a kid, I did a terrible job of thanking her--I wish I had done better! As a high school graduate, I couldn't wait to explore the world and she, Uncle Joe and Aunt Kay gave me my first set of luggage when I graduated high school--the best gift! As an adult, I always enjoyed visiting her on my trips back to Minnesota. When I was about ready to retire from the Air Force and aspired to move into the business world, I found out that she was a Vice President of a finance and investment company--I never knew before because she was so modest. She really inspired me and was a role model to me and I'm sure many other women. She will be greatly missed by me and many others. Rest in peace dear sweet Aunt Loris.

“ *Lory, as I know you, I can't begin to say how much I'm going to miss you. You were the best friend anyone could have. I'll miss our daily calls (especially would liked to have had one the other day). I thank God for bringing you into my life, yet know I'll see you again one day. Love you my friend ❤️*
