LK

“ *Some of the best memories of my childhood are connected to Lorraine. She was like a second mother to me. I spent more waking hours at her house in the summer than I did my own. She made her home a wonderful place for her daughters and I to play. I can't begin to count all popcicles she served me over the years! I'm very blessed to have had such a special person in my life. She will be greatly missed.*

Laurie Klitzke
