“ We are sorry to hear about the loss of your Mother, Grandmother and Great Grandmother. She was a very special person who could accept anyone into her life regardless of the circumstances. I am sure she will be missed by many until we see her again. My condolences to the whole family.

Respectfully,

“ As Rita's former husband and Lorraine's son-in-law I was introduced to a family that knew how to have fun. Lorraine was always a key part of the fun activities it didn't matter if it was fishing, Legion activities or family events. I even remember Lorraine coming up to the farm I grew up on in Forest Lake with her husband Connie and pheasant hunting with me. Lorraine was a wonderful cook and made anybody at their table feel very welcome. One quirk you had to learn was the Crever's kept salt on the table that was in what looked like a sugar bowl. Try salt on your cold cereal sometime to see what that tastes like - it was good for a laugh. Even after our divorce Lorraine went out of her way to make sure I remained a part of her life and I and Diane really appreciated that. We saw her treat all former in-laws the same way which was just one of the many wonderful characteristics of Lorraine. She always remembered my birthday and I hers. Lorraine was a fantastic Grandmother to our children Eric and Amanda they are lucky enough to have many great memories. I will miss her dearly and I look forward to seeing her again in the life to come. May God bless her richly in eternal life.
