Lorraine was such a special lady! My mother Doris was her best friend from high school. I consider her my second mom! I will always treasure the times she shared at the Farm with my mother. All the long hours of fun conversation they had together, the crochet projects Lorraine, Mom and I worked on, the many wonderful recipes she shared with us, and the memories of her whole family spending many weekends at our Lewis Lake home so all the kids could hang out and eat great food and have fun!. So many great memories....I will always think of her each time I make her famous "Crazy Cake" with 2 frostings!

To her children: Treasure your memories as much as I treasure mine...I'm sure your memories make you smile just like mine do! Take care!

*Love,
Heidi (Stevens) and Steve Schack*
