“ I just found out today that Lorraine passed away. My daughter Emma and I where talking about up north and Lorraine. We are the Schruin family our parents had a cabin next door to the Japs for almost 20 years. A magical time in our young lives and So many memories of the Louie and Lorraine she was like everyone’s grandma. Our kids loved her and would stop to visit from time to time over the years Even our grandkids have met Lorraine. Emma was just up two summers ago to visits Lorraine with her family and Lorraine said to the boys come to grandma and give me a big hug., she really was everyone’s grandma we in the schruin family just loved her. She always made us laugh and smile. She will be missed but remain in our hearts always.
