April 26, 1927 - May 1, 2020

KING, Lorraine [Renstrom]

King, Lorraine (Raney), age 93, passed away on May 1, 2020 due to Covid 19 and pneumonia. She was born April 26, 1927 in St. Paul, Minnesota to Anders and Emma Peterson. Her four sisters and three brothers preceded her in death.

Raney married Stanley Renstrom in June 1948, who preceded her in death in 1975. In June 1980, she married Ward (Dwight) King who preceded her in death in 2019.

Raney's favorite thing was to spend time with family and friends. She loved birthdays, holidays and loved a good party. In her retirement years she enjoyed traveling and the warm winters of Palm Springs. She was a wonderful mother, grandma, and great grandma. She loved dancing, babies and anything sweet. We could always count on Raney to tell a good joke. She cherished her lifelong friendships that started with a group of high school friends ("Club") that met regularly for over 50 years.

She is remembered with love by daughter Nancy (Dennis) Crowe, sons Steve (Michelle) Renstrom and Mike (Rena) Renstrom, step-daughter Connie (Ken) Askew, grandchildren Eric Crowe, Jessi Reddin, Tara Gangelhoff, Kelli

Poppitz, Chad Renstrom and Kyle Renstrom, step-grandchildren, Colin and Gretchen Askew, great grandchildren, Cassia Crowe, Quinn and Shea Reddin, Nolan and Aubrey Gangelhoff and Brynn and Beckett Poppitz, great step-grandchildren, Sophie and Zoey Askew.

We would like to thank the staff at Methodist Hospital 4th Floor and Covid ICU for the wonderful care and support given to our mom. With our feelings of disconnect and helplessness, they provided comfort, communication and compassion. We are so grateful to these selfless heroes.

At this time there will only be a small family service. Memorials may be sent to Park Nicollet Foundation (COVID-19 Response and Relief Fund).
