*“ I have many fond memories of Aunt Larry. The pool parties she would have for us to enjoy a hot summer day. The many pets we would come and visit when we stopped by her house. The many injury mends she took care of in our family. We love you and will miss you!*

*“ Beloved Aunt Larry and Godmother to me. So many cherished memories. When I was a teen and we went up to Eagles Nest Resort , she would let me take her speedboat out on the lake by myself. I thought that was so cool! Pool parties, special places she would take us for dinner, trips to Arizona and Alaska. In Alaska we had hot cocoa while resting on a bus tour of Denali Park with Mount McKinley behind us in a photo. She was an awesome aunt.*

“ I would go to her house and help in her garden. One day Uncle Frank was there helping as well. Larry wanted us to move a plant. When she walked away Uncle Frank turned to me and said, "I just moved this here last year." We both began laughing.

“ I remember taking a trip to Alaska with Aunt Larry, Linda, and Marcie to visit Kim. She talked me into going on a white water rapids ride in Denali park. She showed me how to brave even when you are afraid to try something.

“ Auntie Larry had a very kind heart and wanted to do things for you that she knew you enjoyed. When growing up, she took Patti and me horseback riding quite a few times out at Bunker Hill. She did not join us and waited for us at the ranch, but wanted us to be able to go - one time she asked if we wanted to go again...so of course we did! How cool is that!?

She would take us to another ranch because they had western saddles.

I remember on one of the horseback riding trips she took all 4 of us and the horse I had ran back to the stall area halfway through the trail ride and I couldn't stop it. Larry asked why I was back so soon. We laughed. She was a fun Aunt.
