“ *i am really gonna miss our trips to the grocery store and reading your grocery list. I'm glad you finally quit writing them cause I always knew what you needed. Everything with garlic or sugar. And yes I knew you didn't like dark chocolate. Also know that Blackie, Kiki, and Princess are being well cared for. I am really gonna miss the jokes you and Dave would tell trying to get me riled up. Just know that you were very much loved. You will be missed (Greta)*
