“ *My deepest sympathies to the family and friends of Louis. Lou was my step-grandfather. He always treated me with a kind hand and gentle heart. Spending time with him during the holiday season as a child and hearing his laugh fill whatever room he was in, is how I will remember Lou. He was always willing to take an extra moment to talk to me - just to me - to help make me feel like I was part of his family. What a Wonderful Man!*

“ *I was deeply saddened by the death of Louis. He was such a kind person, who will be greatly missed by all who knew him. He was always the one you could turn to for great advice, especially during my teen years. For that I will always be thankful.*

*Louis will be missed but never forgotten.*
