“ Barb, My sympathy in the loss of your Mother. I am Becky, Isabel and Earl Chirstiansen's daughter. Our parents enjoyed each other's company over the years. You must have taken wonderful care of your Mother after your Dad's death, that she lived until 91. Her picture is lovely, beautiful hair. I spoke by phone to your Mom shortly after my Mom died. I wished I would have called her occasionally since, because I wondered how she was doing. May the sadness of missing her be filled with sweet memories and a stronger than ever love for her. Sincerely, Becky
