“ I do not know if you will still get this, but as I was updating our Christmas list, I came to Louise's name and googled her to try to find a current address. I was not surprised to find her obituary considering her age and the fact that we did not get a letter last year. She and Grant were our next door neighbors on Girard Ave in Minneapolis and we loved them. Louise watched our toddler, Jeffrey, when I went to the hospital to have baby #2, Kerstin. We always looked forward to her Christmas letters in the tiny print, but so full of life and family.

Our sympathy,
Burton and Rollie Haugen
