“ Luanne was not only a great neighbor and dear friend when we lived in Destrehan, LA but was an incredible Nanny to both our daughters Elizabeth and Kristen early in their lives As a former teacher our daughters benefited from both Luanne’s loving care as well as her desire to educate and develop them. That gave both on them an excellent start in life and helped build them into the women they are today and the Lawyer and Engineer (PhD) they chose to become. We are ever grateful for our friend and still think about her regularly!! Mike & Brenda

“ I remember staying overnight on weekends and Trina and Margaret always had a list of chores they were supposed to do in the morning before we could play. Aunt Luann never expected me to help and had me stay in Trina's room until the chores were done. Trina would get so mad at me for playing with her toys while she cleaned! Then Uncle Kent would show up with doughnuts and the fun would begin!

I was always super jealous of their dogs, game closet, and camper growing up! They even had Mouse Trap!

When I got a lot older, and they had already divorced and us kids were all married, I spent the night at Margaret's where Luann and I both slept in the living room. We stayed up talking all night long. I'll never forget it!

Aunt Luann will be dearly missed by us all. All my love and prayers go out to Margaret, Trina, Nick, Trey, and Spencer and all their spouses and babies. I love you all.
