“ I'm so very sorry for your loss. My sincere condolences. At one time, I knew Luanne well, but have not seen nor heard about her in decades. I actually knew her brothers Steve and Mark much better. And even Rob a little bit. God be with you all in your time of grief.

“ To Luanne's family: I grew up on Oakland Avenue, just a couple of doors down from the Nelson family. Lu was one of the first kids I met on the block when we moved into our house. Her brothers, Mark & Steve were very close friends with some of my brothers. She and I used to sit around her house, watching TV, when we were in grade school. By junior high, we had sort of fallen out of friendship - our lives took different paths. We caught up many years later via social media. But I am saddened by the news of her passing. My deepest sympathy to all of you. She will always be remembered.
