“ *Marg and John and family: I wish I could have spent more time with both you and your handsome son and beautiful daughter today. It was a beautiful service. She went way too young and wow how she was loved, it was very moving to listen to your niece and to learn more about this wonderful woman. She did a great job. You are in my thoughts and prayers and have my deepest sympathy. Sad to say we are getting to that age where this will happen too often. Take care and lets get together soon, I can't believe lent came and went and no fish fry, I didn't get to one and wanted to do Holy Cross. Life just goes by way too fast. Love you guys!!*

“ Dear Molly and Family, I am so saddened to hear about Lucie passing away. Although the grief and sadness on earth is unbearable, I envision her in heaven with your mom and dad, free from illness and pain...instead now experiencing more love, joy and compassion than any of us can imagine. Lucie and your family continue to be in my thoughts and prayers!

“ I was a co-worker of Lucie's. We sat next to each other and we were both Customer Service Reps. She always talked about her children and grandchildren. She was always bringing in new pictures of her children and grandchildren and she loved to share the story behind them. Her cubicle was full of family pictures. They meant the world to her. We had a lot in common. We both grew up in Northeast Minneapolis. Both went to Holy Cross Church and grade school. Our birthdays were two days apart. We both put family as our #1 priority. Even when she moved down to another department, she always took the time to talk and catch up. Many times as I was leaving work at 2:00 she would be standing outside taking a break. We would talk for quite a while and catch up about family. I am going to miss you dear friend. "Death is a heartache no one can heal. Love is a memory no one can steal."
