“ So sorry to read of Lucy’s passing. She and Bernie were so generous with their time and efforts to Coach our team and acquire our terrific sponsors. I have so many fond memories of those summers and so appreciate the wonderful opportunities they gave me. Thanks to Judy and Sue for sharing your folks with us. RIP together Bernie and Lucy!

“ Dear Judy, Susan and families, my condolences to you all. I'm so sorry to see Lucy has passed. She was beautiful in every way. Bernie and Lucy were an important part of my life of course. Some early memories.....Bernie, as custodian at Riverside Elementary School, kindly helped me clean classroom erasers. At that time Lucy was a role model with Betty Johnson, Bette Lokken and other sportswomen who played on Walsh's women's softball team, who helped spark the formation of a team for us younger girls. And most famously, several years later Bernie and Lucy became our coaches, class-act coaches who held practices and got us sponsored by Superior 400. Lucy even played on our team sometimes, she the most elegant of us all. She was our team mom, and our guiding light as the coach at first base. Coincidentally, a couple weeks ago my husband and I happened to play golf with John McCauley who lived across the street from you off 106th. What a nice surprise! He, a stranger to us, knew all of you, all about Superior 400, the Legion Field, tournaments, our successes. It was such a pleasure revisiting those golden years with him. I have so much gratefulness and respect for Lucy, Bernie, and their lovely, spunky daughters, Judy and Susan, who made us all smile when they handed us a bat. THANK YOU.
