“ I am so sad to hear the passing of Lucille. We worked together at TRW Cinch. I worked in the Sales Dept when she worked for the General Mgr. I then started to work at Tecteam Sales and we lost track of each other. I moved to TX and when I came back I tried to find her, but couldn't. RIP dear friend.

“ With great sadness I heard that Lucille passed. Lucille worked with me at Cinch. Her and I worked as a team in sales. We enjoyed our jobs, had many laughs, and I will never forget her.

“ My wife Johnetta and I met Lucille at TRW Cinch NuLine where she joined as admin to the General Mgr some 49 years ago. Arman also worked there, and soon she and Arman “were an item” and made a great pair as we watched them progress through dating, engagement, and holy matrimony! Over the many years we have loved all our times together both when we lived there and when we would visit Minnesota. Once we got together the conversation and laughs would pick up as if no time had passed since the last get-together. Lucille’s sense of humor and infectious laugh and smile was most treasured, and we looked forward to visits with the Sundquists as a memorable time of joy!  
Our daughter Nikki was just telling our granddaughters that Lucille had attended baby showers for our daughters 42 and 44 years ago, and in recent years she attended our daughter’s baby showers! So much time passes, so much life happens, as we now know we will deeply miss this most precious individual who brought light, love, and joy to all she met. Rest in peace dearest Lucille.

“ Lucille and I were neighbors for 44 years. We went biking, to Guthrie plays, on walks, played volleyball, gopher football games, renaissance. Had many long chats at her home or mine. My second child is the same age as Marc. Our kids spent many hours together growing up. I can't fathom never seeing her again. Rip dear friend. You will be dearly missed.

“ I met Lucille through our mutual friend Carol. Although we lived many miles apart I always enjoyed our emails and phone calls. Lucille always saw the good in others that she was too modest to acknowledge in herself. I loved her quick wit and quirky sense of humor. Lucille, may you Rest in Peace and Rise in Glory!

“ *Fate:*

*written by Patricia Sroka*

*When first we met, I knew from the start  
We would be great friends, and family at heart  
All the years together, proved me to be right  
Yet everything changed, on one dreary night  
God called you home, while I was unaware  
No more laughter or moments, will we share  
He saw you were weary, and his angels did fly  
Your body now rests, your soul sings on high  
Recalling the last conversation, near my front door  
We wondered what fate, had in store  
With neither of us, knowing then  
The clock was ticking, towards an end  
We both said, we would not want to know the score  
We smiled goodbye, I watched you walk up to your door  
Leaving me to wonder, if I had a glimpse of the future  
What would I have said or done, while watching your departure  
Without knowing, when a moment, is our last one  
We shouldn't leave words, or our feelings, undone  
Rip Lucille you will never be forgotten.*
