“ First, let me express my sympathy to John, David and Julie on the loss of their wonderful mother. She was so proud of the three of you! It's very hard for me to think of this world without my Aunt Luella in it. She was only age 7 when I was born...her first niece. My family moved to Washington state, but we had some wonderful vacations in Minnesota. Oh, the memories!

Over the years Luella and I became quite the correspondents. I have saved all of her very long letters!

She had the unique gift of bringing joy to those around her. I will miss her so much, but I am consoled in knowing that her faith in Christ Jesus was strong and true. She has finished her race; she is now Home and at peace!
