“ *Lu was a very special piano teacher to my daughters. My oldest daughter took lessons from her from early elementary through high school. They had a special bond. She was also a wonderful person. I always enjoyed visiting with her. She was an important part of Mayville and Mayville Lutheran. She has been missed since she moved away. God bless her memory.*

“ Lu shared her lovely voice with our Mayville Lutheran Senior choir for many,many years. She loved music and instilled the same in her children growing up. She and Bob were strong supporters and leaders of the Mayport community, Mayville State University, and Mayville Lutheran all their lives. Happy for Lu to be reunited with her Lord and Savior along with Bob and her loved ones gone before. May the promise of reunion help her family through their sadness.
