“ Aunt Jean met her through my sister Evonne Bonds. She was such a beautiful person inside and out. When we met she said your Trina the one Evonne talks about all the time. She said thank you for loving her. Aunt Jean was a very sweet lady with a beautiful soul. She has sent me things from her shopping sprees. Aunt Jean was a very freely giving person not just with things, but with advice and most of all love. She will be truly missed. I am blessed to have gotten to know her, she was truly a blessing to me. May you rest in peace.

Love you Trina Holland

“ Our beloved Auntie illuminated every day of life with boundless love. Though my selflessness yearned to keep you here to share more love, God had other plans for our precious angel. The love you instilled in me, I will treasure forever. I love you, Auntie, and you will forever be etched in my heart. It's only because of the promise I made you that I'm ok.
