“ My husband Todd (who died three years ago from brain cancer) enjoyed some good times and good laughs with Luke in their earlier years of knowing one another. In particular Todd (as his character Sputnik) enjoyed talking with "Boris." Todd and Luke's friendship was negatively impacted by Luke's addiction battle in later years, but Todd always still cared for and wished the best for Luke. On behalf of Todd, wishing you peace my friend.

“ I enjoyed my acquaintance with Luke at work. He seemed to remember every year to wish me a happy birthday. For a while there were 4 Kevin's at work and he watched for every opportunity that we were all in the same area at the same time and would call out, "Hey Kevin" and see us all turn to him at the same time saying, "yeah?".
