“ Rest in Heaven my guy!!! You were one of one so cool to meet you and become friends!! We met in a Fantasy Football League that I helped you join! So many laughs because you and Katie could never beat my team!! You tried really hard 😂 we used to chop it up a little when you dropped Katie off for work in the morning I looked forward to rubbing my championship 🏆 in your face for laughs. Our journey was short but appreciated it was great crossing paths with you on this journey we call life. Neither of us is perfect but we did the Best we could God knows our heart!!! You are in a better place my friend, your journey here ended but your new journey is beginning. Maybe you can win a Fantasy Football League Championship 🏆 in heaven Nope you pick the wrong players 😂 you left a great daughter behind to carry on your legacy both you and Katie did a great job raising her. She is an Angel! Rest easy my guy our paths will cross again To God Be The Glory!!

“ *Though our relationship changed over time, we were given something that will always connect us, our child. Watching them grow into the adult they are today is one of the greatest gifts of my life, and a reflection of both of us.*

*Hailie will always carry pieces of you. Your smile, your laugh, your spirit will live on through her, in so many ways that can't be missed. No matter where life took us, we created something lasting and meaningful together. And that will always matter. □*
