“ *What a wonderful uncle and friend Lyle was. From the one-liners to the consistent talks about cars, cabins, fishing and the like, he always made you feel welcome and put a smile on your face. I have quoted him many times in conversation and will continue to do so. Like a big brother or even a father-figure, I am blessed to have known him and will keep the many great memories of Lyle fresh in my mind. Rest in Peace "Suds"!
You will be sorely missed by all of us.*

“ Lyle was a great brother to have. A wonderful family man. He had many talents. He loved fishing and having a beer. Classic cars were a big interest. He could remember an event in the past by what cars we owned at the time. He also remembered what he paid for them and what he sold them for. Hard working man and got a few years retirement. He loved his family very much! He will be missed by many!

“ I have so many wonderful memories I can't even count. Lyle used to tell Sherry and me, make sure you have good tires on your car. When I went to the house, Lyle would always check my oil, ask if I was having any problems.

Lyle, Judy, Louise, Denny and myself would meet at the kitchen table, would talk about the world's problems.

The rides in the stretch limo mustang, the RV going to Pat's cabin, I could go on and on.

Love you Lyle

You will be with Jay, RIP
