“ I just saw Lyle's obit this morning and it sadden me to see he has left us. I have so many memories I could fill a book. He was my husbands best friend and was always there for us. They are both gone now but have left us with a lifetime of memories. My heart goes out to you Patti, I know how much you loved each other and how much he worried about leaving you. May you know that God is with you and any comfort I could bring you just reach out. Love
Karen
