“ Hi, Trudy...

This is Esther Spong Schneider. I wanted to tell you how sorry I am to see that Lyle has died; I noticed it in yesterday's (Sunday) paper. I'm sure that your 62+ years were good ones, and that you have a HUGE pile of wonderful memories, which hopefully will help to console you through some rough days ahead, which are bound to come. I hope some of your kids live near enough to you so that they can be with you then. also.

Of course, both Dave and I remember the double shower the Clifton women had for you and me the spring of '51, and then our weddings just a week apart.... Plus 12 years of school together, our childhoods at the country school and church, and all the neighborhood events all through the years...

Why not give me a call some day after things settle down for you; maybe we could meet half-way for lunch some place, and renew that friendship from "way back when..."

In the meantime, our love and prayers surround you & all your family...

Es (& Dave) Schneider
