“ Lynda and I have known each other since college. She lived down the hall in my dorm. We have kept in touch for many years (almost 50) since then.

“ Lynda was a part of our amazing human resource team that supported the Allina Clinics. We could always count on Lynda to remember bits of historical information, tell a funny story and she was the kindest soul. Allina was lucky to have Lynda work there for 32 years! Sending prayers to John and family.

“ I worked with Lynda at Allina CR 'back in the day.' She always had a smile, was approachable, and pleasant. We had some good times back then. (picnics, parties, etc...) At times, I'm sure we walked a fine line in regards to 'HR rules.' Lynda took things in stride, let us have our fun, yet was there to 'keep us in line!' Still with a smile:) Blessings and prayers to her family,

“ So sorry to hear of Lynda's passing, a wonderful woman to was always so upbeat and positive about living. Although I can always visualize her smiling and lifting her eyes to the heavens when John was on a bit of a tangent (-:
