“ Lynda was a great mentor to me at Allina. She was so calm and always based her decisions on doing the right thing for employees and the organization. Her organizational skills were a tremendous asset as she helped us through several strike contingency plans. Her kind and clear approach were invaluable. Lynda had of way of making you feel everything was going to be OK. She was greatly missed when she left Allina and was an exceptional human being. Sending love and sympathy to Leanne and Lynda’s family.

“ Lynda was one of the first Allina people I met when I started. She was so funny, smart and a great colleague. Stay low and wear beige my friend.
